Before heading back to Portland, your tour guide will direct the bus around Kennebunkport, such a picturesque town, located along the Kennebunk River. Historically a fishing village, in recent decades the town has become a popular seaside tourist destination with a small district of souvenir shops, art galleries, seafood restaurants, and eateries. Its reputation as a superb community comes from the numerous large seaside estates along Ocean Avenue and other coastal thoroughfares. The famous "Bush Compound" is located on Walker's Point, a peninsula visible from Ocean Avenue. During the fall, Kennebunkport is known as a favorite spot for enjoying the famous New England fall colors. This tour is based on a minimum of 35 and maximum of 190.
