There's no shortage of entertainment options aboard *Harmony of the Seas*. In fact, you might struggle to fit in everything you want to do, from full production theatre such as *Grease! The Musical* and *Columbus!, The Musical*; to *The Fine Line Aqua* Theatre acrobatics/dance/thrill show; *1887* ice skating spectacle; and *Escape the Rubicon* and *Quest* participation games. Don't miss the many comedy and headliner stars, bands, dance clubs, and exciting casino gaming. If activity is your thing, you can zip line, surf, rock climb, golf, ice skate, slide 10 stories and ride a carousel while sailing this floating resort. There is no lack of relaxation or foodie opportunities, either, with dozens of innovative restaurants and lounges; a world-class spa; adults-only solarium; fitness center and classes; a real Central Park; pools and hot tubs, including some that hang right over the side of the ship. And then there are more adventures in each port of call. What are you waiting for? C'mon aboard!
